

Scholars Program
Reapplication for 2010/2011

Each year LSF program participants and their schools are asked to provide updated contact, academic, and financial information. Students who demonstrate ongoing achievement, motivation, and/or progress will continue to receive financial support from the LSF and be eligible for all program activities.

Cada año el LSF pide que los participantes del programa y a sus colegios que provean la información actualizada de sus datos personales, académicos y financieros. Los estudiantes que demuestren logros académicos, motivación y progreso continuaran recibiendo la ayuda financiera por parte del LSF y serán elegibles para todas las actividades del programa.
